

RAHUL KUMAR PANDIT

COMPUTER ENGINEERING STUDENT | APP & WEB DEVELOPER

+977-9807258006 | rahulkrpandit49@gmail.com | Rautahat, Nepal

PROFESSIONAL SUMMARY

Computer Engineering student and versatile app/web developer with hands-on experience in software development, database systems, problem-solving, and user-focused applications. Experienced in building practical engineering projects using Flutter, Dart, Python, computer vision models, IoT microcontrollers, and web technologies.

TECHNICAL SKILLS

- **Programming:** Python, Dart, SQL
- **App Development:** Flutter, Dart
- **Web Development:** HTML, CSS, Bootstrap
- **AI / Computer Vision:** YOLOv8, EasyOCR
- **IoT / Embedded:** ESP32, Sensors, Servo Motors
- **Tools & Design:** Graphic Design, Word, Excel
- **Database:** SQL / Database Systems

EXPERIENCE

STUDENT PARTNER | TechAxis

July 2026 – Present

Representing TechAxis at Mid-West University to drive student onboarding, tech community growth, and skill-development workshops.

APP DEVELOPER

2023 – Present

- Created 5+ mobile/web applications and successfully executed complex full-stack software development tasks.

GRAPHIC DESIGNER

2022 – 2023

- Designed over 50 custom graphic design assets and deliverables tailored to client specifications.

FEATURED PROJECTS

Automatic Toll Payment System Using Vehicle Number Plate Recognition & IoT: Developed an automated toll concept leveraging YOLOv8 for vehicle number-plate detection and EasyOCR for text extraction. Integrated ESP32 microcontrollers and servo motors for automated gate control linked to a centralized database system to minimize wait times.

QR Code Generator using PIN - Flutter & Dart: Built a responsive cross-platform mobile application that dynamically generates custom QR codes from user-provided PIN input, demonstrating mobile UI expertise, input validation, and real-time generation logic.

EDUCATION

Bachelor in Computer Engineering | Mid-West University, Surkhet, Nepal

2023 – Present

+2 High School (Science) (GPA: 3.55) | The Times Sec School, Dillibazar, Kathmandu

2019 – 2022

SEE (GPA: 3.53) | Viswa Niketan Sec School, Tripureswor, Kathmandu

2018 – 2019

CERTIFICATIONS

- Flutter & Dart - The Complete Guide [2025 Edition] – Udemy (Instructors: Academind by Maximilian Schwarzmüller)
- Data Science and Machine Learning with Python 4.0-Hour Certification Course
